

Supporting Preparation for Christian Leadership

If you have automatic withdrawals from your bank account to pay your bills, taxes, or mortgage, then you already understand the principle of pre-authorized remittance (PAR).

Besides being convenient, using PAR for your givings provides our college with a dependable flow of contributions, which increases our overall financial stability. Why not participate in PAR?

Your support of St. Andrew's College helps equip students for leadership and service, pastoral ministry and spiritual care, scholarship and study in Church and community.

A changing Church and changing world requires the college to make ready for the future. In building for the future our goals are to remain faithful to the Gospel of Jesus Christ and the movement of God's Spirit taking us forward; to heed the imperatives of love and justice from our faith; and, in partnership with others, to serve and shape the world that is unfolding.

We invite you to consider including the college in your giving. Your gift will be invested in the lives of students today and tomorrow. Through these students your gift will serve for years to come.

Planning Your Participation

1. Prayerfully consider what you will give each year, and divide that amount by 12.
2. Fill out the authorization form that is part of this brochure and attach a cheque marked "VOID."
3. Enclose both in an envelope and mail to the college.
4. The amount will be transferred from your account to the college's account between the first and eighth of each month. You can modify or cancel your donation, change how it is designated, or change your information at any time.
5. Making a planned contribution to St. Andrew's College through PAR allows our supporters to "Be part of the Journey" and strengthens the college's commitment to providing justice-driven education for Christian leadership.
