

St. Andrew's College Principal's Tour

The Principal's Tour is one way in which St. Andrew's College continues to develop connections with faith communities and strengthen awareness of its programs through workshops that build resilience and capacity during these times of change.

This opportunity with principal Dea. Richard Manley-Tannis offers continuing education experiences to current lay and ordered leadership and serves as a model to invite reflection for those who may be considering a call to ministry.

Workshops

Appreciative Inquiry: Exploring the Provocative and Social Media and Evangelism workshops are offered as part of this learning experience.

Legacy & Leadership

An evening Q & A session and presentation explores the programs and opportunities for leadership that the College provides for both the church and community.

College Sunday
