

CHARLES F. ("DOC") JOHNSTON RESIDENCE

ST. ANDREW'S COLLEGE

GENERAL REGULATIONS FOR SUMMER

DEFAULT ON ANY RULE OR REGULATION BY A RESIDENT CAN RESULT
IN THE TERMINATION OF RESIDENCE AT ST. ANDREW'S COLLEGE

St. Andrew's College Residence is a part of the ministry offered in and to the community by the United Church of Canada.

As a servant and witness of the Gospel, the Church has a responsibility to be in the world as a witness to God's grace. As a witness, we celebrate and advocate to ensure that Creator's diversity, as reflected in the interfaith, ecumenical and secular context of both the world and the particularity of the University of Saskatchewan, is honoured.

PURPOSE

As an agent of the Church it shall be the purpose of St. Andrew's College Residence to be a community that reflects the grace of God to all who choose to live here.

PREAMBLE

St. Andrew's College is a theological college of the United Church of Canada, which prepares men and women for ministry, in close association with the College of Emmanuel and St. Chad and Lutheran Theological Seminary.

St. Andrew's College also operates a dorm-style residence, which accommodates 19 students. Student will be defined to mean a full-time student enrolled at the University of Saskatchewan or its affiliated Colleges. It is intended that it will be a "special place," a residence "community" befitting a Church College, where the members express Christian characteristics of grace and care for one another.

The Residence endeavours not only to provide a home for students during their years of study at university, but in particular, to aid young women and men in the transition to life at a university. In this endeavour, we welcome the Stranger into our midst in order to nurture ecumenical, interfaith and secular mutual relationships.

St. Andrew's seeks to offer something extra to the students who choose to live here. To that end, attention is given to building a sense of community

in residence. . This attention is grounded in a call to offer hospitality. A friendly, family-like atmosphere is apparent. Due to the small number of residents (the 19 people are made up of both men and women students), a close-knit group is formed.

Persons accepted into residence are strongly encouraged to invest some of their time and effort toward relationships and activities with their colleagues which will help form this type of community.

GOVERNMENT

The Residence is administered by a Property Manager who reports to the Principal of the College under the authority of the Board of Trustees.

Violation of Regulations:

Violation of regulations pertains to the resident or guests of a resident (you are responsible for your visitors' actions); in cases of persistent and flagrant violation of residence standards or for a third offence (see page 9) **IMMEDIATE** eviction will be the consequence. Offences for which eviction may be recommended include such things as wilful damage, malicious mischief, the use of illegal drugs, the abuse of alcohol, the disturbance to other residents or to College tenants and staff, or violation of Residence Regulations. Final decisions with regard to an eviction are to be made by a majority vote of a committee composed of the Principal and the Residence Coordinators. Their decision is final and they may at their discretion give the evicted resident **up to** 48 hours to vacate the residence.

The Night Lock-up person will carry a pass key to assist residents who may lock themselves out of their rooms.

LIBRARY

The Library is for ministers and students of the co-operating theological colleges. The use of books and of the reading room for study purposes by the residents is a privilege, not a right. It is conditional upon full co-operation with the Library regulations. Classrooms are locked at night and on weekends.

All residents are reminded that providing impairment-causing substances to minors (anyone under the age of 19) in any of the above places is an offence under the law of the Province of Saskatchewan.

Residents may consume legal, impairment-causing substances (such as alcohol) in their personal residence, however, not if it involves smoking, as smoking is not permitted within the College, including the Residence; smoking also includes vaping.

Cannabis plants are not permitted to be grown, transported or stored within or around student residences.

7. FIRE PROTECTION

As in any residence setting, extreme caution is requested and urged in order to avoid fire hazards. The use of any electrical appliance for heating, cooking, or pressing in the residence rooms is prohibited.

The items that cannot be used are: irons, teakettles, hot plates, frying pans, and toasters. The reason for the "can not items" is they draw too much power in a short period of time to coincide with the wiring of the rooms and the amperage (120 volts).

Items that can be used are: humidifiers, computers, stereos, televisions, coffee makers, microwaves (under 0.6- cubic feet), and refrigerators using under 3 amps of power).

You can use a tea kettle, toaster, coffee maker, etc., in the **T.V. Room**. The iron in the laundry room must be unplugged after each use. All fire alarms, day or night, must be observed and the building evacuated at once. Consequently, any tampering with fire hoses, smoke detectors, or

other fire-fighting equipment, and/or the setting off of a false alarm, carries a mandatory fine of \$100.00 for each offence. Supervised fire drills are held in the fall of the year. Burning candles or incense is a fire hazard and are therefore prohibited from use in the residence. A fine will be issued for any violation of this rule.

8. PETS: Pets are NOT allowed in the residence.

9. STORAGE OF EXPLOSIVES

Firearms, fireworks, ammunition, explosives of any type, or inflammable substances (such as gasoline, chemicals, etc.) are not permitted in the residence.

11. FINES

St. Andrew's management has the authority to impose fines on an individual and/or collective basis for behaviour contrary to these Regulations. An incident report will be filled out by St. Andrew's Property Manager and signed by the offender(s) and placed in the resident's file. The fine structure is as follows: First Offence -- \$25.00; Second Offence -- \$50.00; Third Offence -- **IMMEDIATE Termination of Residence.** Fines are to be paid within two (2) business days. They are to be paid in cash or by cheque to the General Office.

NOTE: A dirty room is considered a damaged room.

True community will involve both self-respect and respect for others at all times.
